

Hail to MacMurray

A Fond Farewell

June 18, 2022 4:00 pm

Annie Merner Chapel

The Class of 2020 and their families have waited for over two years for this moment. Please show as much courtesy and consideration as possible to them, as well as those who are here to say goodbye to their beloved alma mater.

- Please silence all electronic devices, including games and cell phones.
- Please do not use flash photography. It interferes with the professional photographer. The chapel will be available for personal pictures after the ceremony is over.
- If your children become restless or begin to cause a disturbance, please be considerate of others. Ushers will provide assistance if you need to leave with your child. Even adults can get restless and need to leave for a moment. Ushers will also assist anyone who needs to leave during the service for any reason, including offering directions to restrooms which are located on the lower level of the chapel (accessible by stairs only).
- Please remember there is no smoking or vaping in the chapel or on the chapel steps.
- Out of respect for the solemnity of the occasion, we must insist that there be no noisemakers, bells, horns, etc. Applause is certainly encouraged.

| By stately elms surrounded, our dear old college
stands
And with a faith unbounded, our loyalty demands
She guides her daughters all aright, as to her sides
they cling
And hails them well when dark the night 'neath the
shadow of her wing. (Refrain) | Hail to our alma mater, the pride of all the land
We will loyal be forever and by her side we'll stand
Her fame for aye we will unfold 'til known to all she'll
be
And oft her stories be retold by us o'er land and sea

*A flow'r remembered can never wither
Forever blooming, as bright as day
Its fragrance ling'ring
Like music softly playing
A gentle voice that's saying,
"I'll never fade away"*

*I hear the echos of many voices
Sometimes they're distant
Sometimes so clear
Through all the sounds of life
They seem to whisper
"Will you remember?"*

*The birds fly homeward across the valley
Toward the mountains all white with snow
The birds are gone now
The mountain snows have melted
But still I see their beauty,
These scenes of long ago*

*The birds still fly in other valleys
The snows have turned to flowing streams
All things must pass, but memories are lasting
We will remember...we will remember...*

A Liturgy of Remembrance **Rev. Dr. Camilla Pierce Hempstead '84**

This day revives in us memories of our beloved college, which is no more.
What happiness we shared when we walked this hallowed ground.
Rutledge, Jane, Katy, Kendall, Norris, Blackstock, Michalson, Harker, Main.
The names of places we called home.
What joy when we lived our lives together.
This memory is a blessing forever.

For some of us, two years have passed. For others, it has been decades.
It feels as if a long time has passed, and yet it seems as if it were only yesterday.
Our hearts yearn for what we have lost.
Though the bitter grief may have softened, a duller pain abides;
for the place where we laughed and learned is silent now.
The links to current students are broken, but the links of love and memories cannot break.
Our lives are bound up with one another's forever.

Former Professor of History and Communication

As We Prepare To Take Our Leave..... Adapted from the poem "Sparks"..... by Mr. Dave Zak '77
Editor, '75 Tartan
Read by Ms. Katie Richardson Petrikin '77

Though we may leave and our individual voices are not heard here any longer, MacMurray College will hold the spirits and memories of those who have passed within. Mac has done much for us. We have given to it and it has offered much in return.

But now, we must stand with only our memories of our time here, and look into the mirrored darkness of the future. Time is not easy. Our paths are not always clear.

Golden ambition of our youth, sown on a universe of hope and fear, sent us searching everywhere as we made—and continue to make—our mark in the world.

We must be like sparks—flying upward from the fires that Mac lit within our spirits during our time here.

Sparks... sharing the fire that burns within us, teaching laughter and growth, sharing hands and hearts and hopes. We are each a volume of good times and bad, a story filled with death and life, a gift wrapped in beauty, sorrow, strength, ready and eager to share what we have learned.

And so we must go, leaving a Mac world that has held us, shaped us, matured us. We move forward remembering our triumphs and tragedies, celebrations and crises, failings, fears and fun. We move forward knowing that MacMurray College will always remain in the stories we share, in the leadership we show, in the memories we honor. And so we must go. Just as sparks must fly from the fire, we must leave this place.

Going Forth Mr. David Ekin '77

Retiring of the College Mace

* *Alma Mater: Hail To MacMurray*

Hail to MacMurray, the pride of us all!
Hail to our alma mater, may her standards never fall!
Hail to MacMurray, we pledge our loyalty!
Knowledge, Faith, and Service
shall our ensign ever be.

Wisdom gained through college
illuminates the way:
How to meet with reverence the duties of each day.
Thus our code is molded to lead a loyal clan.
Wisdom, Duty, Reverence
shall be our goal and plan.

*Adapted from a song and words written by Mildred Rose Kane and Vivienne Swengel Smith, both Class of '34;
and from words written by Dale Wolf '61*

We see MacMurray now with the eye of memory, her faults forgiven, her virtues grown larger.
 So does goodness live, and weakness fade from sight.
 We remember her with gratitude and prayers of thanksgiving.
Her memory is a blessing forever.

We remember as well the classmates, roommates, teammates,
 who but yesterday were part of our MacMurray community.
 We remember professors, staff, and friends who are no longer among us
 but who remain a part of this place in our hearts.
 To all who cared for us and labored for the good of this place, we pay tribute.
 May we prove worthy of carrying on the tradition of this place, for now the task is ours.
Their souls are bound up in ours forever.

We give thanks for the cloud of witnesses gathered today, and for those we carry in our hearts.
 Even those who have passed into the mists of memory are alive through us and our stories forevermore.
**In the midst of our tears of loss are tears of laughter and joy, for we would not be the people we are
 today without our time at MacMurray.**
In sorrow and in gratefulness, we bid MacMurray College goodbye.

A MacMurray Commencement Tradition

Our Best To You

“Our Best To You” is a song learned by MacMurray Women dating back to the late 1940s. It has been sung at various occasions throughout the school year in different settings, depending upon the era of the College. The song was sung beginning in the late '40s by the senior women at the Green Ribbon Ceremony, a rite of initiation for freshman women dating back to 1928. “Our Best to You” was also sung at “pinnings,” a late night ritual held in the dorms wherein a MacMurray woman announced her pinning (fraternity pin), lavalier or engagement.

As a final goodbye, the women of the College gathered in a circle on the front lawn of the Chapel and wished each other a good and happy life by singing “Our Best to You” following the Commencement ceremony. Later, as MacMurray graduates, male and female would marry, fellow classmates would encircle them at some point during the wedding reception and the women of the group would lead the Mac alums in “Our Best to You.”

In singing “Our Best to You” today, Class of 2020 graduates will be joined by alumni from across the decades as we bid a fond farewell to MacMurray by gathering in this cherished tradition one last time on Annie Merner Chapel lawn.

*Our best to you,
may your dreams come true.
May old Father Time
never be unkind.
And through the years
save your smiles and tears,
they are souvenirs.
They make music in your heart.
Remember this,
each new day's a kiss
sent from up above
with an angel's love.
So here's to you,
may your skies be blue,
and your love blest.
That's our best to you!*

Honorary Degree Recipient

Cynthia Zahm Siegfried '68

Doctor of Humane Letters

Cynthia Zahm Siegfried came to MacMurray College from Madison High School in Madison, Illinois. At MacMurray, she was involved in many, many activities, including Madrigals and other musical pursuits. She received a bachelor's degree in psychology from MacMurray College in 1968. She met her husband, Jim Siegfried, a fellow classmate, at MacMurray, and the two were wed shortly after graduation.

Following the birth of their daughters, Cyndi, Jim and their young family moved to the suburban Memphis, Tennessee area, where she resides today, and she threw herself heart and soul into raising their girls.

When her husband was diagnosed with stage 4 cancer in 2002, she approached his diagnosis with the same intensity that she put into parenting. As an avid reader, she delved into every book or medical journal on lung cancer, caregiving, managing stress in chronic illness, and nutritional rehabilitation after surgery and chemotherapy. She became an expert in these areas.

Cyndi supported her husband through 10 recurrences of lung cancer over 16 years. As she cared for him, her emails to friends and family to keep them apprised of the emotional aspects of the ordeal grew into a blog and that evolved into her book, "Cancer Journey: A Caregiver's View from the Passenger Seat," which was released in 2009. The book was listed as the #1 best seller for Cancer Support on Amazon in 2010.

After the publishing the book, Cyndi and Jim hit the speaking circuit, providing help and hope for individuals facing catastrophic life events. She continued to write as a freelance writer, contributing to periodicals and publications such as: Significant Living, In Touch, Chicken Soup for the Soul, Coping with Cancer, Today's Caregiver, Nostalgia, A New Heart, Today's Christian, and Breast Cancer Wellness Magazine.

In 2003 Cyndi and Jim founded f.a.i.t.H—facing an illness through Him, a support group for caregivers and their loved ones facing cancer. This group has helped hundreds of people through local meetings and online support.

Since 2003 Cyndi has been an ardent advocate for lung cancer awareness and for cancer caregivers. Based on reader contributions, she was selected as the 2011 Caregiver of the Year by Lungevity, a nonprofit organization dedicated to the treatment and prevention of lung cancer.

Cyndi is now a popular speaker who offers hope and inspiration to those touched by catastrophic disease and uses her degree from MacMurray College to help others through these challenging health situations. Sadly, Jim succumbed to his lung cancer diagnosis in 2018, three days before their 50th wedding anniversary.
